

# Consumption And Social Change In A Post-Soviet Middle Class

In this fascinating new ethnographic study, Patico examines the various ways in which teachers have adjusted their activities and interactions as consumers, demonstrating how this has led to dramatic shifts in their assessments of their own lives and of the society around them. Jennifer Patico (Author) Jennifer Patico is Assistant Professor of Anthropology at Georgia State University. With this quote from a Russian teacher, Jennifer Patico begins her ethnography of post-Soviet teachers living in a time of rapid inflation and economic uncertainty.
